-Coach's Rep will be sending an email to all coaches and parents about the parking lot. There are currently issues with triple parking, parking in front of gates, blocking in cars, and blocking drive passways. The gates need to remain unblocked for emergency personnel to have access to the fields when incidences occur.

-Discussion about ways to improve parking lot that will help alleviate some of the issues that have been occurring. The goal is to have the southside parking lot redone in between the next fall and spring season. Will be looking for sponsors and getting bids to attempt to get funding.

-There have been issues with parents and coaches not receiving the SASA emails if they "opted" out of them when the pop up opens when they logged in. During registration, additional information will be added to inform parents and coaches that SASA's main form of communication is via email, and they need to make sure they are receiving them.

-Game scores will be entered in by Office Manager to remain unbiased. This will take place immediately.

-Score cards that are turned in by the referees will be honored and not changed. It is important that both coaches sign every game card at the end of every game to ensure accuracy.

-Saturday 9/20/25 the Health Inspector came by to evaluate our facilities. Since then, new sanitizer dispensers will be put up as well as our Food Handlers license will be displayed in concession stands.

-The Tournament Of Champions (TOC) will take place December 5th- 7th. The top teams of every division will be invited to play in TOC. The commissioners need to reach out to see if those teams will be interested in attending so the fee can be paid by the deadline. -All complaints need to go directly to the President's email only or by JotForm that is sent only to the President. This prevents the pool from being influenced in case of an appeal.
